	Activity	How did your child get on?
Phonics	Please review any phase 3 sounds and High Frequency Words your child is unsure of. Please practise reading and writing these!	
Number	<p>Please review your number flashcards to 20 and practise writing the numbers correctly.</p> <p>Please spend a few minutes challenging your child with one of the following activities-</p> <ul style="list-style-type: none"><li>• Finding one more/one less</li><li>• Ordering numbers</li><li>• Adding/subtracting using objects</li><li>• Adding/subtracting using a number line</li><li>• Counting forwards and backwards in 2s and 10s</li></ul> 	
Healthy Plate	During Science week, we thought about the different food groups and what would make a 'healthy plate'. We would like to see what the children can remember! On the reverse of this sheet, can your child draw a healthy meal containing food from the different food groups? Once they have done this, we would like them to label their picture to show what they have drawn.
