## Foundation Stage Homework

Name \_\_\_\_\_

**Please return this homework sheet completed to school on 07/03/19**

	Activity	How did your child get on?
Science	<p>This week the children have enjoyed learning about objects that float and sink. Please ask your child what they can remember and have a go at testing some objects at home. This doesn't need to be recorded but we would love to see some photographs on Tapestry please ☺</p> <p>Questions to ask-</p> <ul style="list-style-type: none"><li>• Why is the object floating/sinking?</li><li>• Does the biggest object always sink?</li><li>• Do heavy objects always sink? Why/why not?</li></ul>	
Maths-	<p>Please use your flashcards to review any numbers your child is unsure of between 0-20.</p> <p>This week in maths we have been learning how to add two numbers using a number line. Please support your child to complete the activity on the reverse of this sheet.</p> <p>Please look at the number sentence, circle the first number on the number line and then show the jumps to get the correct number and write the answer next to the equals sign.</p>	

Can you add two numbers together?

$$10+6=$$

$$5+3=$$

$$14+4=$$

$$12+7=$$
