

### Maths

Please can you consolidate 2D and 3D shapes with your child. Maybe when you are out and about see which shapes you can find! Do they know their names?

In your maths books can you complete pages 24 and 25.

### Reading

Please can you read with your child 3 times over the week and record comments in their reading diary. It is very important that you are recording your child's reading in their reading record as we look to see if their books need changing if they have read. Please keep recording the reading challenges in your reading records we are nearly half way through the year!

Each week attached with the homework there will be a sheet which has some real and pseudo words to read with your child.

## Welton St Mary's C of E Primary Academy Year 1 Homework

### Words of the Week

As mentioned in 'Meet the Teacher' below are the words of this week. Please go through them with your child and talk about them and put them in sentences.

- Absorbent
- Calm
- Rough
- Determined

### Spelling

This week we have been looking at forming sentences accurately. Please complete page 7 of your homework book looking at capital letters for names and I.

Please practise the spelling of the Y1 common exception words which can be found in your child's reading record. We will be spelling these in class as well. Before half term we will send a highlighted sheet of the spellings which your child is still not spelling correctly. The ones not highlighted are the ones they can spell 😊

### Notices

Bee class have a student teacher in this term Mrs Galloway she will be supporting the bees fantastic learning, so welcome to our school. 😊
