

Maths

By the end of Y4 all children should be able to divide three digit numbers by 1 digit numbers:

Can children roll a dice three times to get a three digit number and then divide that number by their age?

Please also complete the mental arithmetic book: Schofield and Sims book - Complete the next available page

Intro book - Complete the next available page (You will only have one of these books)

Reading

It is important that you record your reading in your Book of Books **at least 3 times a week** so that adults in school can see all the hard work that you have been doing to improve your reading skills. Please record any interesting vocabulary you come across, a review of a book, labelled illustrations etc. - This week please pay particular attention to any interesting verbs.

Optional Reading Challenge:

This week can you try and read at least one chapter every single day? Or if you're searching for an even bigger challenge, can you pick a book and read the whole thing in a week from cover to cover? Good luck!

Welton St Mary's C of E Primary Academy Year 4 Homework:31/01/19

Themed Task

This term we are focusing on the Romans as part of our history topic. We would like children to research someone who was of great historical significance and had links to the Romans. Children can choose to present their research in one of the following ways:

- Creating a digital presentation
- Writing a short speech
- Producing a poster they can talk about
- A short role play
-

If children have any other ideas for presenting their work, please discuss these with children's teachers.

Projects need to be completed by **12/01/2019** ready to present in front of the class.

Spelling

Please complete pages 26 and 27 (no further) which are the next pages in your CGP book.

Spellings to learn this week:

Statutory words:

learn
popular
