

### Maths

We are noticing that a lot of our children are struggling with some of their times tables. To help:

Can you quiz your children at completely random times. For example, on the way to school randomly asking them a times table fact. Or perhaps when you're enjoying your weekend together, you could randomly ask them what 3 x 7 is? Children can practice using times table rock stars also.

Please also complete the mental arithmetic book:  
Schofield and Sims book - Complete the next available page  
Schofield and Sims book 1: Complete the next available page.  
Intro book - Complete the next available page  
(You will only have one of these books)

### Reading

It is important that you record your reading in your Book of Books at **least 3 times a week** so that adults in school can see all the hard work that you have been doing to improve your reading skills. Please record any interesting vocabulary you come across, a review of a book, labelled illustrations etc. - This week please pay particular attention to any interesting sentence openers.

#### Optional Reading Challenge:

This week can you read in an interesting place or read to someone? Maybe you could read a book in a museum? Maybe you could read your book (or another book) to a younger relative or read the newspaper to your grandparents or someone else in your family who usually needs glasses to read? Good luck getting some interesting reading done this week!

## Welton St Mary's C of E Primary Academy Year 5 Homework: 24/01/19

### Themed Task

This term we are focusing on the Romans as part of our history topic. As we are exploring the impact the Romans had on Britain, we would like children to research something the Romans invented or developed which we still use today.

Children can then choose one of the following methods to relay their research:

- Designing a poster
- Making a model
- Writing a report
- Writing a speech which they can read out.

If children have other creative ideas for how they can relay that information, this can be discussed with teachers.

These need to be completed by **29/01/19**.

### Spelling

Please complete pages 24 and 25 (no further) which are the next pages in your CGP book.

#### Spellings to learn this week:

#### Statutory Words:

**neighbour**  
**thorough**  
**average**  
**competition**  
**convenience**

#### Spelling rule:

Words with the suffix -ough

**rough**  
**tough**  
**enough**  
**through**  
**borough**

Please support your child in completing their homework. If you have any comments please write them below and then sign to say your child has completed their homework.
