Music Curriculum

'Without music, life would be a mistake' -Friedrich Nietzsche

Music Intent

Music at Welton St. Mary's aims to provide opportunity for all through **an inclusive**, engaging, curriculum that enhance children's emotional literacy and increase their cultural capital in our globalised world. Following a specially tailored programme, children experience a broad range of music from different genres and periods, through our four key concepts of listening/ appraising and critical thinking, both of which aim to give our children the vocabulary needed to become musically literate; an awareness of musical history, enabling children to link music with important historical changes; and exploring, creating and communicating, which incorporates composition in all its forms. WSM's aims are **to provide opportunities for all to flourish** in both our academic curriculum, and by offering a range of extra-curricular music activities in KS1 and 2, along with a variety of peripatetic instrumental lessons. Children in Y1 learn to play the recorder, in Y4 learn to play Djembe with a professional percussionist and clarinet in Y5 with a professional woodwind teacher. Performance opportunities occur in EYFS/Y1 and 2 through the Nativity, Year 3 and 4 through the Spring Concert and Year 5/6 through the Summer Production. **We build on foundations of shared values with consistently high expectations.** Our curriculum is enriched still further through strong partnerships with Lincolnshire Music Service, who offer a wide range of 1:1 and small group instrumental tuition, the Lincoln Cathedral Chorister Programme, BBC Ten Pieces, St. Mary's Church and Welton PDA and other charity events all of which provide our children with creative opportunities for performance and education encouraging **everyone to be agents of positive change in this world.**
