Personal, Social and Health  
Education Curriculum

*'Educating the mind without educating the heart is no education at all'. - Aristotle*

### PSHE Curriculum Intent

PSHE (including new RSE content) is a weekly subject in the WSM's curriculum that aims to **promote the spiritual, moral, cultural, mental and physical development** of children at our school in order to prepare them for the **opportunities, responsibilities and experiences** of adult life. Our children will develop key skills such as debate, listening, analysis, research and public speaking – **all required for living in the C21st** - by learning through a **diverse range** of topics covering *Health and Wellbeing, RSE and Living in the Wider World*. We place great importance on children becoming '**emotionally literate**', thus the modelling and use of key vocabulary forms a substantial part of a child's PSHE journey.

Our PSHE curriculum is both underpinned and enriched by **constant reference to our school values** of: Love and Friendship, Respect, Forgiveness, Responsibility, Trust, Peace and Harmony, along with our three school rules of: Be Kind; Be Safe; Be Responsible.

PSHE learning will be built on what has gone before and will be taught sensitively, with a positive approach that does not attempt to induce shock or guilt, but rather focuses on what our children can do to stay healthy and live fulfilling lives through every stage of their development into adulthood. Teachers will deliver content in a wide variety of styles, but this will always be interactive. For example, our children will be encouraged to reflect on their learning constantly, so that they have the confidence to transfer their thoughts between school subjects and, indeed, outside of school. Opportunity will be provided for the children to make real decisions about their lives and where they can demonstrate their ability to take responsibility for their decisions. Teachers will provide a safe and supportive learning environment where children: develop the confidence to ask questions; challenge the information they are offered; draw on their own experience; express their views and opinions; and put what they have learned into practice in their own lives.

# PSHE Overview

	Autumn: Relationships			Spring: Living in the wider world			Summer: Health and Wellbeing		
	Families & Friendships	Safe relationships	Respecting ourselves and others	Belonging to a community	Media literacy and digital resilience	Money and work	Physical health and Mental wellbeing	Growing and Changing	Keeping safe
EYFS	Maintaining Healthy Relationships			British Values and Living with Diverse Beliefs			Health and Wellbeing, Coping with Change, Parts of our Body.
