Welton St Mary's CE Primary Academy

This policy is designed to set out the process for advertising new posts in the Academy and also the allocation of extra hours.

For both the allocation of extra hours and new posts, the Headteacher will identify and gather together evidence to justify the need and then present it to the School Improvement and Personnel committee. The Provision and School Improvement committee will then decide whether the proposal constitutes additional hours or a new post.

Once agreed by the SIP committee the financial element will be presented to the Finance committee and once signed off by both, the Headteacher is free to make arrangements to fill the hours or post as set out in the process below.

On the occasion of additional hours being approved by the Governing Body, all such posts will be first advertised internally for a period of 5 working days, inviting all existing staff to express an interest before the decision is made to advertise externally. Applicants need to be aware that they must demonstrate the required skills as laid out in the job description and person specification. If there is only one suitable applicant, then the post will be offered to them. If, however, more than one suitable application is received they will be invited to attend an interview. If an expression of interest is received but the applicant is deemed as unsuitable, the Headteacher will offer to provide feedback to the unsuitable applicant. Should no internal applicant be deemed suitable, the hours will then be advertised externally as a new position.

For all new posts, the position will be advertised internally and externally at the same time. All applicants will be measured against the minimum criteria of the person specification and job description. There will always be an interview as part of this process.

All advertisements will be placed in an appropriate medium which could include local media, other Primary schools, Teaching Schools Alliance, The Diocese or other appropriate websites. The adverts will highlight key criteria of the job description and/or person specification. As well as giving the closing date and also the date for the interview, we will also advertise a date by which applicants will have heard if they are successful on that occasion. In keeping with the Welton St Mary's Christian ethos and value of 'Respect', we will include wording in every advert which may look like 'Thank you to all applicants for taking the time to apply but if you have not heard by the date advertised for successful applicants, please assume that on this occasion you have not been shortlisted'.

The wording used in advertisements must not discriminate or be construed to be discriminating against any person or group of people. The Equality and Human Rights Commission can challenge any job advertisement at any time.
