

One world, working together

Prayers to NTOLOMWE UMEA PRIMARY SCHOOL

Having heard that the children were not able to return to school yet due to the pandemic and not enough teachers having been vaccinated, Welton St Mary's wrote prayers and shared them with the children and staff at NTOLOMWE UMEA PRIMARY SCHOOL.

Bee Class

The childrens prayers for Uganda.

Dear God, please
help the people
in Uganda get better
soon amen.

Dear father God
Please get the
children or
adults to get them
vaccination soon.

Amen

Dear God please
help the
people get
better Amen

Dear God please
bless the
people

Dear God please
help the people
more people
are dying
amen

Dear God,

Please could all adults in
Uganda be vaccinated soon
so they are less at risk and
Schools can open.

We ask you to Surround the
children with love so they
feel Connected to you and
the rest of the school community
until you can bring them all
back together.

Please heal those sick or
affected by COVID.
God Please let our school in
Uganda feel our prayers.

Amen

From Elephant Class:

Dear Father God,
We pray that the children in Uganda are able to get back to school soon to continue their education. Thank you for the benefits of education across the world. We ask for your help and strength so that the people of Uganda get their vaccinations as soon as possible. Please help anybody living in poverty to be warm, fed, and safe, particularly in this difficult time of COVID. We pray that the infected, across the world and in Uganda, will get well with the help of your healing hand.

In Jesus' name
Amen

From Ladybird Class:

Dear God
Please help the children to have a better life, go back to school and be happy.
Amen

From Ant Class:

Dear Father God,
Please help the children in Uganda get better from all the germs.
Amen

Dear Father God,

Thank you for keeping us in the UK safe and for our ability to still learn during the COVID pandemic. However, there are lots of people out there who we are still praying for, like those at UMEA N'tolomwe Public School in Butambala. We pray that you keep the children and staff safe and hope that they are soon able to return to school and continue their learning. We hope that all of those suffering with COVID are healed and that a vaccine is available to all of those who require it. We pray that in the meantime you are kept well and we will continue to be thinking of you. All our Love from Welton St Mary's. God bless you all!

Amen.

Rhino Class

A prayer for the country of Uganda.

Thank you for the wonderful people in Uganda, and thank you for all of the heart warming comments. Keep on persevering and bless them for their determination, for their school work and for their dreams, just remember, ~~anything is possible~~. help them to never ever give up because anything is possible.

Amen

Gorilla Class

Dear God,

Please ~~q~~ make sure that Uganda's children get back to school really soon,

Make sure that they are safe from Covid and we hope more vaccines arrive ~~soon~~ quickly,

Hopefully those with Covid are healed and safe at home with their ^{families} ~~parents~~,

We are thankful for them checking that we are safe even though they need to be safe too,

Watch over them and their friends so they have everything they need.

We pray this in Your name,
Amen

Prayers of appreciation from NTOLOMWE UMEA PRIMARY SCHOOL Uganda

On behalf of learners and community of Ntololmwe Umea P/S (Uganda), I extend my sincere gratitude and thanks to the learners and their coordinator "Paul" of Welton St. Mary's for their inspiration messages through prayers. Hopefully, God has started answering the prayers because the vaccine for adults is available so there's hope of getting back to school.

May the almighty Lord continue to protect against all germs and reward you abundantly for the caring heart

Amen

Zaamu

Stay safe, take care

From Primary Six

Almighty God we thank you for good friends in U.K. We pray that their prayers towards us are answered.

Thank you dear friends in UK for our prayers. God has answered some of them. The vaccine is available so we expect to get back to school.

God bless you

Amen

From Primary Five

Thank you for caring people in UK especially learners of St. Mary's Welton P/S.

They have healed us psychologically. Give them whatever they need and answer their prayers towards us in Uganda

Amen
