

SCHOOL FRIENDS

Who are we?

Welton St Mary's School Friends are a small group of parents, carers, grandparents who meet once a month to put forward ideas and organise upcoming events. Our calendar includes events such as discos, the Summer Fayre, raffles, Christmas Shop and Family Easter Bingo. We also ensure parents are well refreshed at Sports Day and the Christmas Carol concert with tea and coffee, as well as tasty treats. Furthermore we organised the children's Christmas card orders and tea towel designs which families love to receive. We have a varied and busy calendar that provides fun social events for the children, whilst making parents happy with refreshments!

All of our fundraising efforts go towards providing equipment for the school, enabling children to have 'extra bits' or subsidising trips. Recently we've raised enough to buy:

- trim trail
- new sound system for the hall
- a set of iPads
- lockers
- two outdoor libraries
- new kitchen equipment
- bushcraft equipment
- and subsidised a whole school trip.

A termly newsletter sent to all parents shares the success of each event and any items invested in that term.

We are a small friendly team who welcome any help at events. If you'd like to offer some help or get more involved, please drop us an email:
